

RELEASE OF INFORMATION STATEMENT

This statement will accompany your full application file to the dual MS-MBA program offered by Purdue University and the Indiana University Kelley School of Business.

Your signature on this *Release of Information Statement* will allow Purdue University and the Indiana University Kelley School of Business to share all of your application documentation and academic progress information, including grades in specific courses as well as overall grade point average. This sharing of information is the basis of the streamlined application process for the dual-degree program.

Please read and complete the information below. If you have questions regarding this statement, you may contact Taryn Nance, program manager for the MS-MBA in Food and Agribusiness Management, at (765) 496-2447 or tnance@purdue.edu.
